Inspiring Hope and Unlocking Potential in
Young People Through Nature

Corporate Partnerships

Charity no. 1177035

389 Manor Lane, Sheffield, S2 1UL

Who we are

Grow is a youth development charity that works with 16 - 24 year olds across Sheffield. Many of those we work with face mental health challenges, resulting in social isolation and a lack of engagement with education, work and/or training. We run youth development programmes that combine coaching with nature-based projects to boost wellbeing, combat isolation and develop employability in the young people we work with.

Our programmes are designed to create a journey for young people that support's their physical, mental and social wellbeing whilst equipping them with the skills, experience and confidence to secure long-term employment.

As a corporate partner, you can play a role in inspiring hope and unlocking potential in Sheffield's young people.

Our Impact

75% in education, employment or training post-programme

15% increase in wellbeing

15% increase in social connection

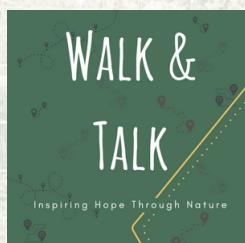

What our young people say...

“ Grow's given me the opportunity to realise what I wanted to do and given me a realistic foundation of skills to build upon. ”

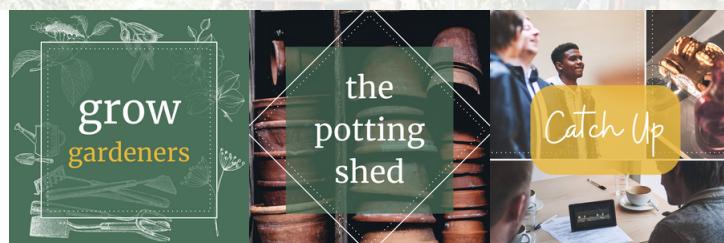

“ The programme has helped to give my life more purpose and I don't feel so aimless anymore. ”

“ I have achieved better communication skills and I feel more comfortable around other people. ”

Partnership Benefits

A tailored partnership with Grow would deliver a range of benefits that suit the needs of your business, employees and wider community.

-  Boost staff wellbeing and aid retention
-  Build your reputation as a socially responsible brand
-  Develop deeper relationships with the local community
-  Reach new audiences across Sheffield
-  Generate positive PR

Opportunities

We have a range of opportunities open to corporate partners seeking to support Grow and deepen their brand visibility in Sheffield.

Nominate us as your charity of the year and benefit from targeted engagement and volunteer opportunities, support with fundraising challenges and more.

Sponsor one of our Grow Gardeners vans and have your business promoted in over 70 gardens across Sheffield.

Help us to deliver our programme of events and benefit from inclusion in our marketing materials.

Join us as an employment partner and enrich your staff team by hosting one of our Grow Gardener trainees at your organisation.

Sponsor a trainee and/or programme! Directly support the development of a young person by contributing to the cost of their engagement with us.

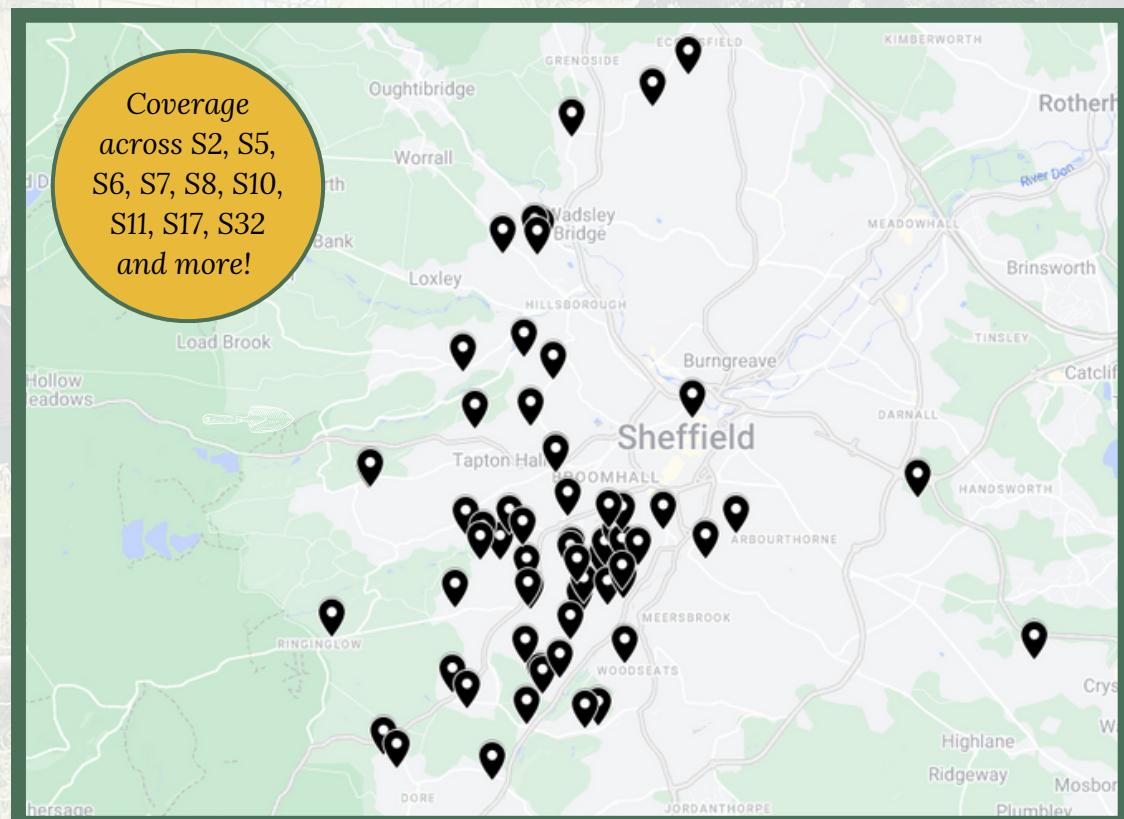

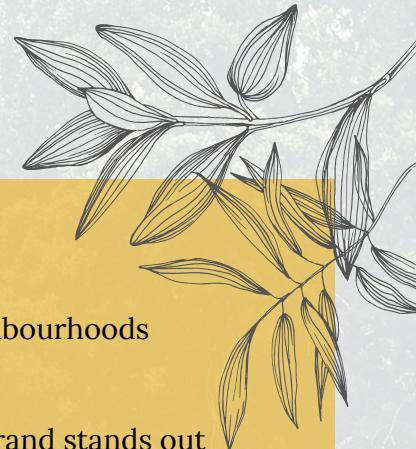

Van Sponsorship

Sponsor one of our Grow Gardeners vans and boost your organisation's visibility whilst facilitating the development of Sheffield's young people!

Grow Gardeners provides paid gardening work experience for 16-24 year olds facing barriers to employment, such as experience of poor mental health. It gives them the opportunity to learn important horticultural and general work/life skills that are valued by employers. Sponsoring one of our vans will allow us to cover key programme costs whilst helping to promote your brand.

Package & Benefits

- From ~£125 a month
- Visibility in over 70 gardens and various neighbourhoods across Sheffield
- Limited sponsor places to help ensure your brand stands out
- Engage with potential customers directly in their communities

Get in touch

We strive to build engaging and effective relationships that are mutually beneficial for Grow and our charity partners. For more information on how we can develop a rewarding partnership with your business, please get in touch.
